

THE ROYAL ART - AASR INITIATES CLEARING

The Western Tradition - The Perception Gates

It is a rather common **BRETHREN** understanding – albeit partly true – that **AASR Sublime Temple Works** do happens when triggered by the **BRETHREN MIND UNION** while '*modeling*', '*sculpturing*' and '*stone-cutting*' a **SINGLE INTENTION** into a **ROYAL ART ARCHITECTURE** that when fully energized do '*resonates*' inside the **GOLDEN MEANS STONE CUTTED TEMPLE BUILDING THUS CONVEYING INTO REALITY THE ONE PRODIGIES** as a final **OUTCOME OF THE POWERFUL PATRIARCHAL [ADAMIC] ENERGIES** that shall '*coagulate*' at Profane World somewhere in time ahead.

Since the **Night of Times** this **Wisdom** is continuously cyclic recovered and exercised to be shortly after it completely lost by the **MIST** embedded into **Veiled Minds**. It is known profanely as **WHITE MAGIC!** Ever since that no annoying accident does '*dropdown*' IT neither the '*Battery*' at **Sublime Works** close!

What is really a **Mist Veiled Mind**?

It is the final outcome of one or more factors taken out of 3 [three] basic one's basket, usually out of control by the **Prospect Initiate**: the **Birth Hour**, the absorbed **Culture & Education Inserts** and yet the **Environment** from where the *Profane Candidate has come from till 'knocking' at the AASR Philosophical Order Temple Gates.*

I explain: At an **AASR Temple** there are 12 [Twelve] **Columns** topped by 12 **Zodiac Signus**, evenly disposed half at the **South Column** and half at the **North Column**. They are sequentially disposed in the same order as observed at the **Ecliptic sky minute movement** [counter-clockwise] yet as they are presented in a non-circular shape the **Brethren.:** **Mind** faces them as a mere symbolic wall decor.

Just out of the **AASR Temple Gates** there is a room that is known as a **Lost Steps into Void Room** that **Simple Freemasons Minds** believes it as to merely represent the **Profane World**.

However if an **Ancient and Accepted Scottish Rite Freemason** could minimally grasp the **Powerful Energy Flux [Eggregore]** of an **AASR TEMPLE** – (other Templar Rites either do exhibit a much lower Energy Flux – e.g. **York Rite** – or are mere placebos) – **He** could easily detect that albeit the Temple architecture do portrays a rectangular shape in reality it exhibits a **Circular Energy Flow** due all **Officers** and all **Participants** are looking at **The Lights Altar** and **The Book of The Law** at the **Temple Center Focus**.

Continuing: if the same **Ancient and Accepted Freemason** sharpens **His Mind focus** and geometrically divide while roundly repositioning all **Ecliptic Signus** by completely and circularly encompassing the full **Temple Architecture** **He** would realize the full measure of the **Lost Steps into Void Room** to be composed by 3 [Three] **Signus span wide**.

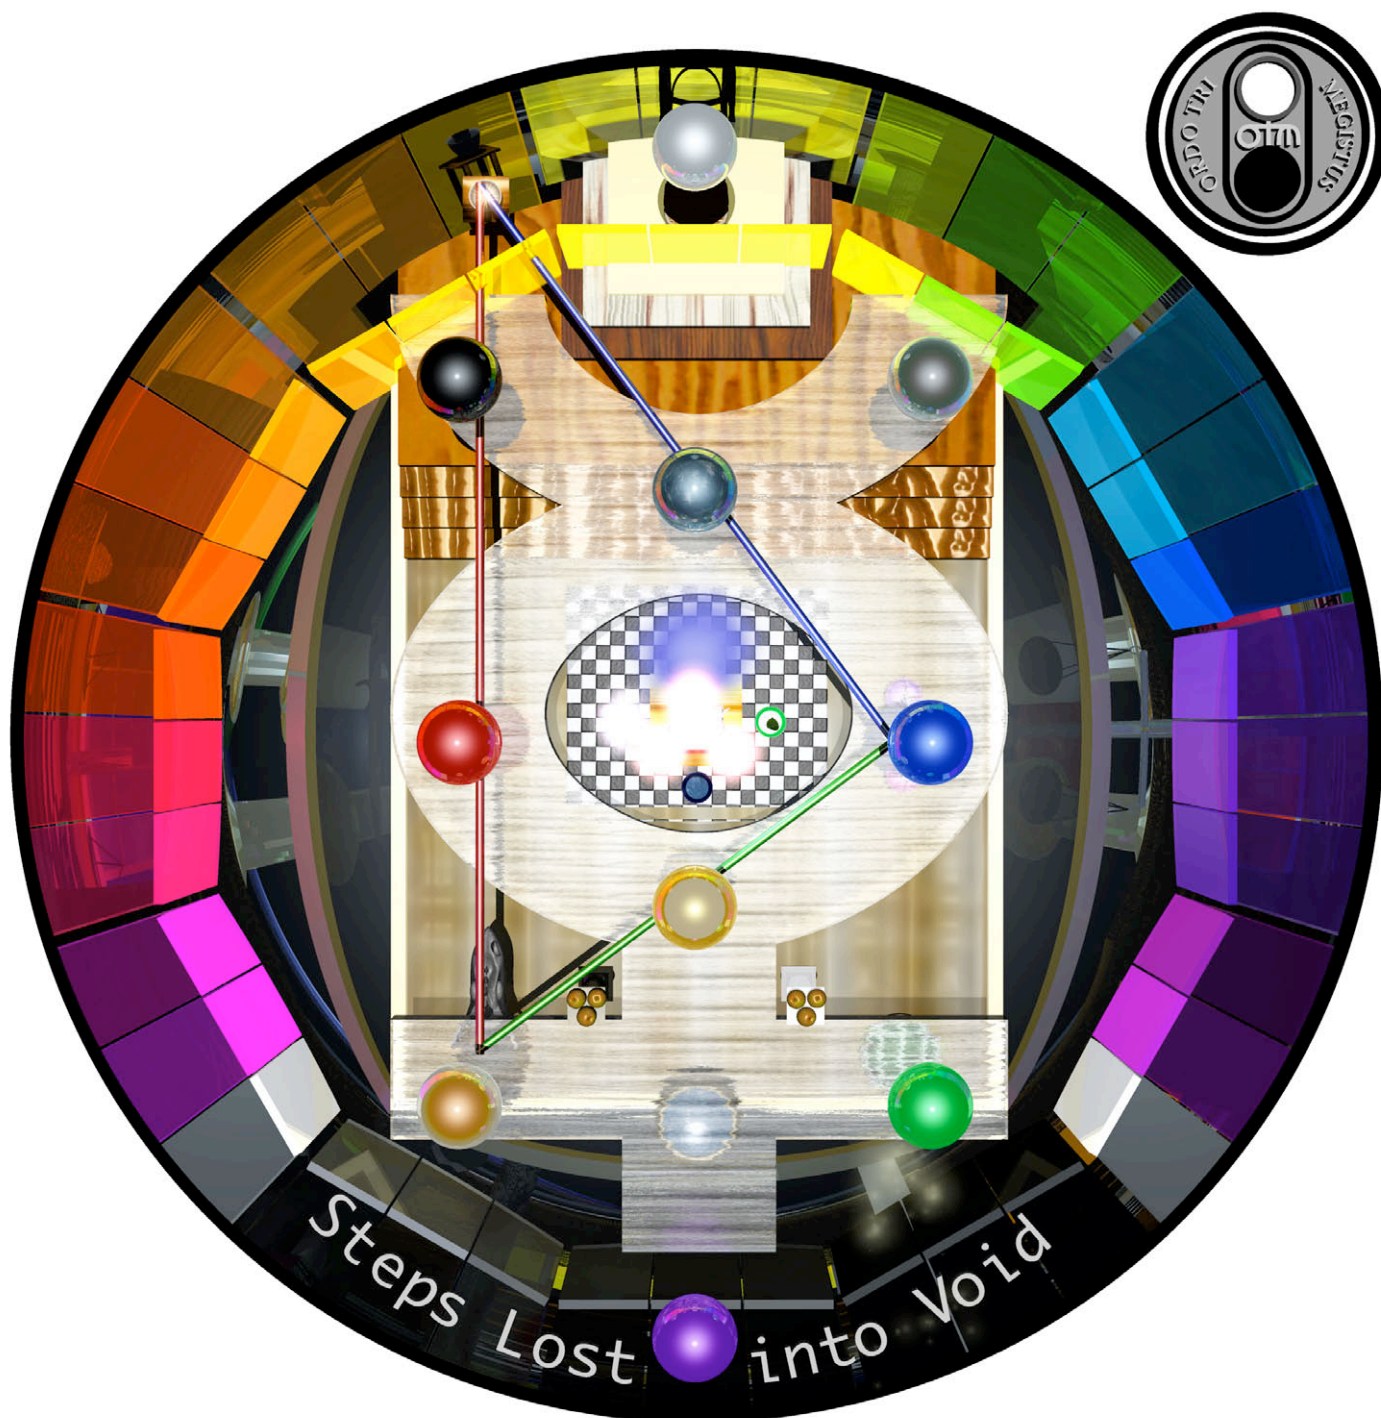

If the **Ancient and Accepted Scottish Rite Freemason** could recall that *Christ Himself* spent 3 [Three] days at '*Hell*' before the '*40 days at the Desert*' and yet verify that the **Temple Circulation** at the **Occident (Chess Squares B&W Floor: Desert)** is always performed **Clockwise** while if **He** simultaneously tries to confers that **Astrologically** any **Person** undergoes *Titanic Forces that inner 'purifies' His Body and Soul* and that fact can only happens when triggered by **The Planets Energies [Officers]** when in a *retrograde movement [Clockwise Sense]*, then **He** could finally realize that this **Fiery Furnace** is always ignited at an **AASR Temple** with **Eggregore**.

If additionally one considers that in a *Counter Clockwise Sense the first Signus is Aries and Pisces is the last one* then geometrically and astrologically when considering a *Clockwise Sense Pisces arouses as the First Signus and Aries becomes the last one.*

Christ – actually a **Higher Rank Egyptian Priest of Amon-Ra: The Sheep Head God = God's Lamb** (allegorically **He** grew adult at Egypt due **His Family** escape from Israel while still a **Newborn**) – by performing the *Fishes Multiplication Miracle (Divine Sparks Fragments)* simultaneously to the *Breads Multiplication Miracle (Evolution Bodies)* at **PISCES SIGNUS** that represents the **Mineral Domain [Raw Stones]** thus conveying a **Deep Naivety** of a **Redeemed Newer Mankind: Their Newborns.**

Proceeding further clockwise sense then the next **Signus** of **AQUARIUS** do represent the *Exacerbated Teenagers Libido* and finally at the last of the 3 [Three] **Signus**: the **CAPRICORNUS** where anyone can spot the *Young Adult Aggressiveness*.

Therefore all people born at these 3 [Three] **Signus Hours** are still at '*Hell*' – **Lost Steps into Void Room**, living at the **Mist of Veiled Minds** and their outstanding behavior relies in trying to behave as **Good Persons**.

It is overweening to recall that **Christ** told us that '*Hell*' is overwhelmed of **Good Intentions**.

This is the fulcrum of the **IMPERATIVE JUST AND RIGHTEOUS BEHAVIOR OF A REAL FREEMASON!** As everything at **EARTH** is always seeking evenness or equilibrium; if by any chance a biased Egregore decision arouses: be it for good or evil *then there will be the simultaneous eclosion of the original Energy plus the opposite One at the Lost Steps into Void Room [Real Life] in order to counterbalance it!* 2/3

Now we shall unveil the **Real Meaning of The Royal Art Sublime Works** to exactly start at **Midday [Noon]: 12 Hours a.m..** As the full day is evenly divided in 24 hours and how there are 12 Signus around the Ecliptic thus they are each one allocated into an $\pm 2:00$ hour time span [Latitude dependent]. Therefore by subtracting 6 hours [Three Signus] from **Noon [Noon: Sagittarius Signus start - the Desert reached after the Mind darkness slavery Exodus last performed by finally crossing the Red Sea: Capricornus Signus]**, we do have 06:00 hour a.m. that albeit being the **Dawn** it is also the start of the **PISCES Signus: Total Mist Veiled Minds or the 'Fall' at the 'Hell'**.

Here is an additional proof that **PISCES Signus** is the *First Mist Veiled Minds Signus at the Lost Steps into Void Room*: we all know that the **LION of JUDAH (King Solomon)** is the **W.:M.:** that takes seat (mounts) at **The Throne** located at the **Or.:** that by its turn [The Throne] holds the Energy of **VIRGO** that represents the **Celestial Virgo: The Black Queen of Shabbat(ai)**. Well **LION Signus** is the opposite one of **AQUARIUS Signus** that by its turn is the **Second Signus of The Total Mist Veiled Minds** and from where *Ezequiel* while [Flesh] captive at River Hebar margins (River = Water = **AQUARIUS**) had an insight with a **Celestial Wheel** portraying the **Eagle** at the left side [Scorpion: Treas.:], **Taurus** at the right side [J.:W.:], **Lion** at the foreground [W.:M.:] and a **Man** at the Occident [I.:G.:], and behind the Wheel He spotted **T.:G.:A.:O.:T.:U.: THRONE!**

The **Ezequiel Wheel** – by the way – is the **Astrologic/Astronomic Ecliptic!**

All these technical details further supported with a long time researcher hands-on experience and deep Brethren [bad] behavior observation plus corrupted rites detection and faulty tracing boards deciphered among **Bro.:** lousy speeches while at **Sublime Royal Arts Works** does evidences this **Thesis defense** yet instructed with an array of criminal offenses 'at lattere' sensed at **AASR. *Quod Demonstratum Est!***

There is one more **Christ** speech that is worthy to recall: "*Show me your companions and I shall say who You are!*" Yet Men companies do '*mold*' inner personalities but those still at '*Hell*' – **Lost Steps into Void Room** with *Total Mist Veiled Minds* do deep dissimulate their selves as to look alike to the best accepted ones till they are discovered/detected.

One shall always remember that all those still living at the **Lost Steps into Void Room** (the gross Mankind majority) albeit with *Total Mist Veiled Minds*, are an integral part of Mankind, Our dear Newborns.

However due their *Total Mist Veiled Minds* they cannot enroll at a **BRETHREN MIND UNION** as they cannot '*resonate*' with them all and yet if they try so an unacceptable segregation feeling would arouse and they shall try to enforce the admission of more '*equals*' in order to take Temple Rite '*command*' and to force happens what they '*very*' primitively wonder about what really is a *Good Behavior*, a *Philanthropy Act* and a *Welfare One*.

And by doing these actions they finally '*drop down*' the **Temple Columns** due the forced imposition of misbehaved '*Good Intentions*' not the **Just and Righteous One's** due they were backed by their majority. Several **Ancient Stone cut Built Temples** ruins speaks for it selves!

At last, a must needed and worthy mention is to not allow amidst the **Brethren** anyone holding a tatoo due is enforces submission to heavy telluric energies that shall endure all life. One shall recall that even **Indians** do only tatoo their selves temporally for a rite (aprons) or for a war/combat.
